

Health and Safety Specialists

Dear Chief,

On behalf of **Health and Safety Specialists**, we would like to invite you to choose us to provide your department with the finest on-site FD medical services anywhere.

Health and Safety Specialists will perform on-site physical exams for your firefighters. First and foremost, our goal is courteous and professional medical service. We will jointly develop a comprehensive program that fulfills the requirements of your fire department and its members. At your earliest convenience, we would like to meet with you to begin development of a new program for your department or to confirm the details of your existing program.

Our intent is to provide you with easier access to our services including monthly or bimonthly on-site visits. In addition, your members may schedule examinations at our offices during weekdays without additional charge. To assist in returning your members to full duty, we are available to follow up on injuries or return to duty certifications as quickly as possible.

Health and Safety Specialists believes in providing the finest medical services and protecting fire departments from unnecessary liability claims and rising compensation costs. All services provided to your members may be billed to you directly rather than your compensation insurance thus avoiding bureaucratic delays and higher costs.

Health and Safety Specialists would like to bring your attention to a new service, provided as a benefit to our customers. **FirePhysical.com** is an Internet-based program that allows you to view and track your members' progress and compliance with physicals, updates, vaccinations, injuries, and medical clearances in a convenient manner, but at the same time keeping personal medical history confidential. We urge you to check it out by going to www.FirePhysical.com.

There is no additional charge to access your department's medical records at : www.FirePhysical.com. We offer a tour of the site without a log in.

Please contact us with any questions. We look forward to scheduling a date for an informational meeting and contractual agreement.
